**1. Satellite Dental Health Care Centre at Nerkundram**

A satellite dental health care centre was started at Nerkundram on the outskirts of Chennai in the year 2021 (August) with the aim of providing dental services to the underprivileged people in that area. The centre is furnished with 1 electric chair which is fully functional. Treatment services like extraction, restoration and oral prophylaxis are provided. For specialized treatment patients are referred to college with referral cards for free treatment.

**2. Satellite Dental Health Care Centre at Nayapakkam**

As an extension to provide dental treatment to underprivileged people of the rural area, a second satellite centre was opened at Nayapakkam village (25Kms from Chennai city) in the year 2021 (January). The centre is furnished with a fully functioning electric dental chair with ultra sonic scalar and air rotor facility. Treatment services like extraction, restoration and oral prophylaxis are provided. For specialized treatment they are referred to college with referral cards for free treatment.

A staff member in-charge with interns deputed to the satellite centres for its functioning.
